Alveus Kitchen Mixer Taps – Designed to Impress

Discover the perfect fusion of **sophisticated design, exceptional functionality, and premium quality** with **Alveus kitchen mixer taps**.

Crafted with meticulous attention to detail, our taps are more than just a necessity – they are a statement of style and innovation.

Exquisite Colours

A variety of finishes, from classic chrome, earthy Granital to bold metallics, to match every style.

Flawless Functionality

Smooth operation, precision control, and effortless performance.

Swivel spout 360°

Enables the rotation of the spout and therefore water of the mixer tap.

Extra functionality

P - pull out spout
S - shower function

Perfect Details

Every curve, handle, and finish is carefully designed for lasting beauty and convenience.

Striking Designs

Elegant and modern aesthetics to elevate any kitchen space.

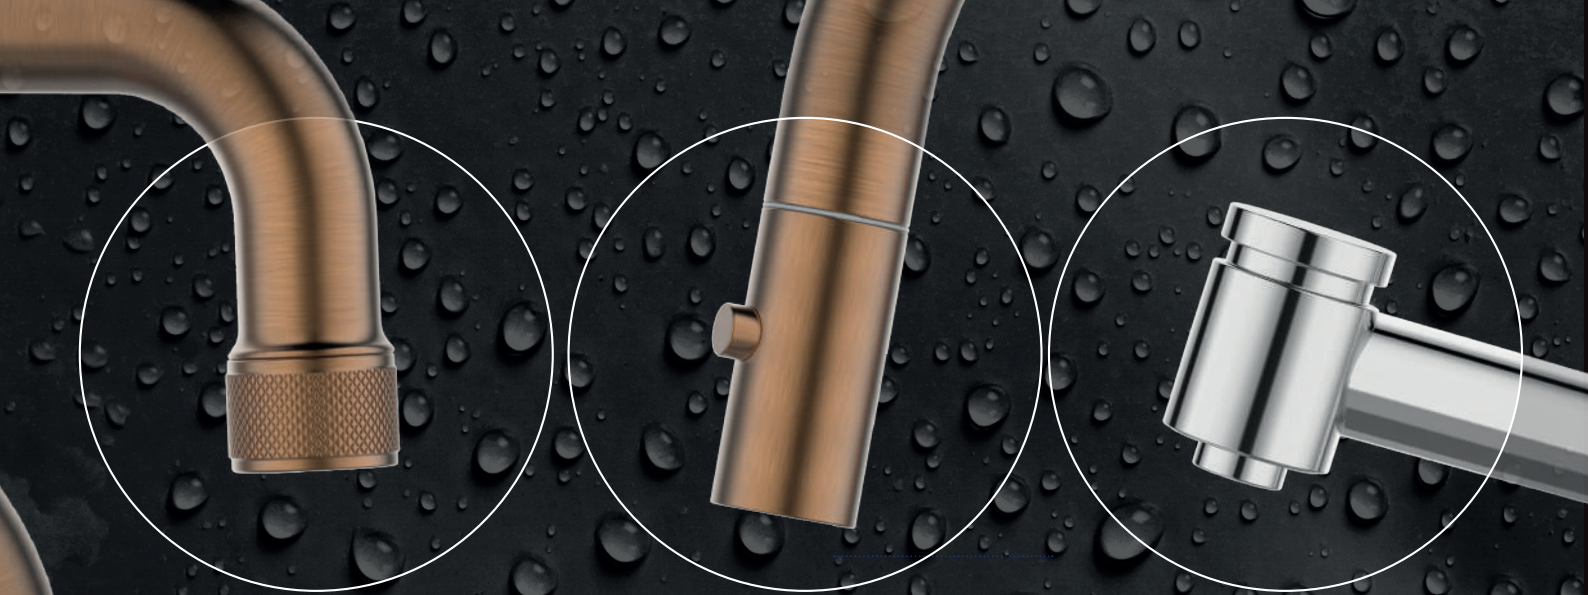

Matte Black Edition

A bold, ultra-modern choice for a sleek and sophisticated look.

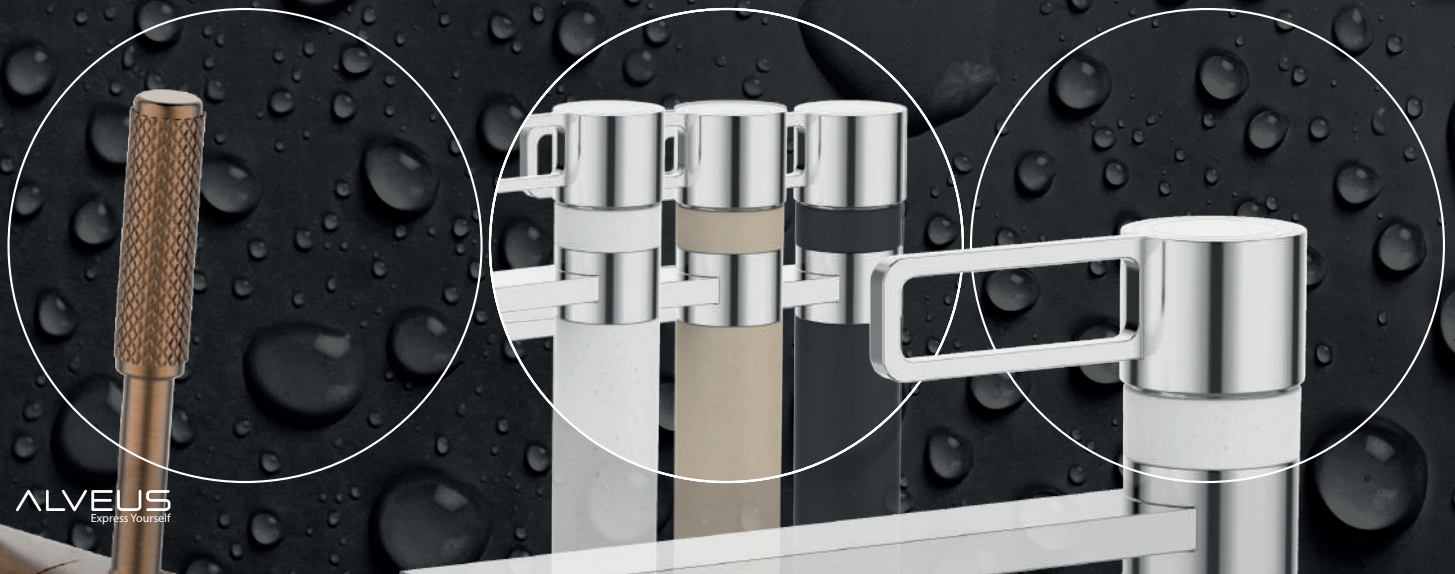

Upgrade your kitchen with the **Alveus mixer tap** – where **design meets perfection** in every detail.

Elevate your Kitchen with Style.

Mastering the Art of Details.

Small Details, Big impact.

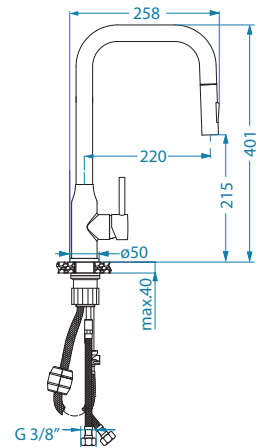

Add a touch of luxury to your kitchen with **Alveus Monarch ORIGINALS** mixer taps, featuring exquisite **gold, copper, anthracite,** and **bronze** in brushed finishes. Designed for those who appreciate elegance in every detail, Alveus Monarch ORIGINALS taps combine premium craftsmanship with outstanding functionality, creating a statement piece that stands out in any kitchen.

CLEANING TIPS

For cleaning the Alveus kitchen mixer taps it is best to use a soft cloth, hot water, and liquid detergent for kitchen sinks. Should scale build-up on the tap, remove it with 9 % acetic acid. Silver cleaners, steel wool pads, bleach, or abrasive detergents can damage the tap finish, so they should be avoided. Chlorine detergents (soda hypochlorite) or hydrochloric acid can have a similar effect.
